

Example Use Case #2

ACME Company. U.S.A

PROBLEMS

- Data was spreadsheet driven and flat
- Siloed data environment meant limited visibility into real-time sales data
- Needed an easy to use solution that provides both technical and non technical team members to collaborate on business performance

Data Sources

- Salesforce
- AWS
- Microsoft SQL Server
- Microsoft Excel
- Hubspot

RESULTS

- Actionable Data
- Real-Time Data
- Visibility
- Communicate
- Access Data on any device
